APPROVED PROJECT FOR SIX APARTMENTS

A plot of land set in the town of Almancil, with an approved architectural project of six ground floor and first floor apartments. The three bedroom apartments feature a contemporary design with the approach to create a stylish and warm atmosphere through the use of natural stone and wood elements.

The ground floor apartments have access to a spacious terrace with areas varying between 69-89m², whilst first floor apartments benefit of private 62m² roof terraces with Jacuzzi and views towards green landscape. Comprising three bedrooms and two bathrooms, one being en-suite, an open plan kitchen to the dining and living area. Each apartment will have its own private access to the property and comes with its own private garage with a space for one or two cars, laundry facilities and a storage room.

Residents will also have access to a communal pool and decked area ideal for outdoor relaxation. The properties are in a central location which provide easy access to local amenities such as supermarkets, shops and popular restaurants of the area.

These apartments offer a combination of modern design elements, practical amenities, and a convenient location that make them attractive homes for permanent living or as a rental investment.
