

BRAND NEW VILLA ON THE GOLF

A fabulous modern design 5 bedroom villa, currently under its final stages of construction, with a south facing orientation benefiting from frontline golf views. The property is situated on the Vila Sol Golf Resort within walking distance to the golf course, a short distance from Vilamoura Marina and beaches of the area. An excellent opportunity to purchase a brand new property with quality finishings, some of which include a lift accessing all 3 floor, a Domotic system, and a double garage with pre-installation for electric car charging. Construction should be completed early 2020.
