HORIZON RESIDENCES

One Green Way is a unique gated community that prioritizes the well-being of its residents while offering a luxurious and comfortable living environment. Each villa in the community is equipped with cutting-edge technology, allowing for seamless connectivity and effortless functionality. The villas feature chef's kitchens, home offices, cinema rooms, and gyms, providing residents with the perfect spaces for hosting events, working, or unwinding. The interior design, curated by Vilaça Interiores, focuses on creating purposeful spaces that promote a harmonious balance.

In addition to the remarkable interiors, all residences at One Green Way boast mature and sustainable gardens designed by renowned international landscape architects, Cracknell. These gardens incorporate local materials and are arranged innovatively to provide various locations and ways for residents to relax and spend quality time with their families and friends. The outdoor spaces feature heated pools, outdoor kitchens and barbecues, dining areas, and roof terraces with breathtaking views, ensuring the ultimate indoor-outdoor living experience.

The Horizon Residences within One Green Way consist of villas with 4, 5, or 6 bedrooms. These villas exemplify the pinnacle of Algarvian architecture, seamlessly integrating luxury preferences with the natural beauty of the surrounding environment in a future-proof design. Positioned to offer stunning views of the North Course, the golf course, and the adjacent Natural Park, the Horizon Residences take high-spec comfort and twenty-first-century living to new heights.
