VILLA ON SECLUDED PLOT

Set in a very private and secluded plot, this property was originally built in 1986 designed to accommodate 2 separate families with an identical layout both on the ground and first floor level. The villa comprises 6 spacious bedrooms and 6 bathrooms (4 ensuite), 2 bright and spacious living rooms with fireplace, 2 fully fitted and equipped kitchen with access to the dining rooms and a laundry room. On the outside, there is extensive terracing for al-fresco dining and relaxing with a private swimming pool with landscaped gardens with automatic irrigation as well as a fruit orchard. An ideal opportunity for a potential buyer to renovate this property, and make this project a family home located within close distance to all local amenities and luxury resorts of the area.
